About Us

Welcome to **Fortune Engineering**, your trusted partner in precision engineering solutions. With a commitment to quality, reliability, and innovation, we specialize in providing high-performance Hydraulic attachments parts that ensure maximum efficiency and durability. Our mission is to offer superior products that meet the demands of mining, construction, demolition and industrial needs.

Our Product Range

We supply a comprehensive range of Hydraulic Breaker parts to meet diverse needs. Below is an overview of our product categories:

1. Accumulator Repair Kit
2. Lower Breaker Part Kit
3. Seal Kit
4. Lower Steel Bush
5. Lower Bronze Bush
6. Tensioning Bolt
